HOW TO CONSTRUCT YOUR BIBLIOGRAPHY:

Website:

_____

- The author of the website can be a person or an organisation. We include the title of the article we have used and underline it, the name of the website it comes from in inverted commas and the URL of the actual article.

World Book Online:

Bachrach, David S. <u>Middle Ages</u>. , World Book, 2021 http://www.worldbookonline.com/student/article?id=ar360060. Accessed 12 Nov. 2021.

- This article is about Medieval life from World Book Online, in the 'student' section. Remember to include the date you looked up the information in case it changes. *World Book will create this citation for you.
